In virtue of this amendment, claims 3 and 6 are cancelled; and claims 1-2, 4-5, and 7-8 are pending in the instant application.

Allowable Subject Matter

1. Claims 1-2, 4-5, and 7-8 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Prior art of record fails to disclose or fairly suggest the following limitations:

A radio frequency power supply structure for use in a device generating plasma by charging a plate-like electrode, comprising a core cable of the RF cable has an end portion curved to match a connecting width of the plate-like electrode so as to form a smoothly curved continuous surface at a connecting portion provided between the curved end portion of the core cable of the RF cable and the plate-like electrode, on an end peripheral portion of the plate-like electrode, in combination with the remaining claimed limitations as claimed in independent claim 1 (claims 2, 4-5, and 7-8 are allowed for depending on claim 1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
